Delays due to supply issues are not acceptable
9. This request does not commit the District to pay for any costs incurred in the submission of the bid or in making necessary studies or designs for the preparation thereof, nor to procure or contract for the services or material.

Such submittal must fully explain the basis or objection supported by all relevant information, facts, and details. Letter must be signed by an authorized representative stating specific reason(s) for the protest including all relevant facts (law, rule, regulation, and criteria). Bid protests will be reviewed by the Director of Purchasing and the Assistant Superintendent of Business Services. The affected proposer will be given an opportunity to rebut the evidence and present evidence that the proposer should be allowed to perform the work. The District will issue a written final decision within fifteen (15) days of receipt of the protest, unless factors beyond the District's reasonable control prevent such resolution.

Per Public Contract Code Section 20117, if two or more bids are identical in all respects, the district may determine by lot which bidder will be awarded the contract or the vendor who has offered the most consistent service and reliability in the past.
